Love finding ways to keep your students engaged during independent work? Then do we have a new FREEBIE for you! Our free color by number sheets feature six pages of math engagement! Why use color by number sheets? Students love a variety of independent activities to keep learning fun. Color by number sheets are a great option. They are self-checking (students should be able to see if they have colored something wrong), are a variety of (seasonal) designs, and provide skill practice. Our latest freebie supports addition and subtraction skills. This freebie is part of a year long bundle. In fact, there are a few different color by number sheet bundles based on skill you are working for. Head to the color by number SHOP. So, how can these sheets be successfully used in the classroom? There are a couple ways! 1. Use as an individual math station These sheets can be completed independently, and checked by the teacher with a quick glance. 2. Practice 2-digit addition and subtraction with and without regrouping Each color by number sheet includes a variety of 2-digit math problems with and without regrouping. Half of the sheets are addition and half of the sheets are subtraction. Each sheet comes with an answer key as well. Perfect for quick and meaningful sub plans, homework, or early finisher assignments! 3. Differentiate more easily with one of our seasonal packs! Each student in the classroom may need work on a different math skill. Lucky Little Learners has you covered! The skills covered in the color by number packs include: 2-Digit Addition & Subtraction3-Digit Addition & SubtractionBasic FactsFall Themed 2-Digit Addition & SubtractionFall Themed Addition & Subtraction to 18Spring Themed 2-Digit Addition & SubtractionSummer Themed 2-Digit Addition & SubtractionWinter Themed 2-Digit Addition & SubtractionWinter Themed Addition & Subtraction to 18 Ready to get these free color by number sheets rocking in the classroom?
